

Novena to the Holy Spirit
DAY TWO

I'M SORRY!

O Holy Spirit, my curiosity has tempted me to begin reading this second day of my Novena instead of spending this time trying to learn how to listen to Your promptings. I always know better than my teacher and did not think it would make any difference. I do not let You guide me because I do not **KNOW** how to listen to You. In fact, I do not even listen to those who have had the experience of learning how to listen.

WAKE ME UP

Give me Your gift of **COUNSEL** by reminding me numerous times during this day to talk to You as I would talk to my very best human friend.

COUNSEL me by reminding me to dwell on these thoughts of my first and second day of this Novena.

GIVE ME A SHOVE

Remind me, O Holy Spirit, to express my gratitude to You who have given me so much. My **faith, hope** and ability to **love**. My home, friends, relatives and the fact I have life.

Do not let me be one of the nine lepers who did not return to show gratitude.

Thank You, O Holy Spirit, thank You.
